Dear Diana:

Airwork Corporation in New Hyde Park, New York, EPA I.D. #NYD980532113 was assigned to FIT for completion of a Preliminary Assessment under TDD #02-8611-41.

An off-site reconnaissance was performed by NUS personnel on November 19, 1986. The address given on the Cerclis list, 3227 New Hyde Park Road, is currently occupied by the Hammond Insurance Company.

The Region I office of Environmental Conservation and the Nassau County Health Department were contacted and neither had any file information on the Airwork Corporation.

The information available is insufficient to justify completion of the four page Preliminary Assessment (EPA form 2070-12).

Very truly yours,

Jane Bullis
